

recycling .co.uk

Recycling.co.uk has over 40 years experience in the recycling industry.

The business, always keen to stay ahead of the game, has diversified its recycling activities by extending operations to vehicle recycling in accordance with ELV (end-of-life vehicles) legislation, WEEE (waste electrical & electronic equipment) processing, IT equipment recycling and asset management.

We actively work within the community to support recycling initiatives

OUR CAPABILITIES

We are pioneers and early adopters of many modern recycling techniques. Our processes are rigorously tested and constantly improved.

Our combined processing capacity through our various sites is in excess of 100,000 tonnes per year.
